Lunch Suggestions

Each family is to provide a balanced, healthy lunch for their child. Please remember to put lunch in containers that your child can learn to open on his/her own. Lunch boxes are not placed in a refrigerator so please remember to place ice packs in lunch boxes. Also, if you send warm food please put in a thermos, we are not allowed by state regulations to warm food with a microwave.

Some suggestions for lunches are:

Protein: turkey, ham, chicken, salami, roast beef, cottage cheese, sunflower butter, soy nut butter

*If your child does not like bread just send the meat in a container

Dairy: yogurt, cottage cheese, string cheese, sliced cheese

Fruit: any

Vegetables: any

Carbohydrates: pasta, rice, crackers, bread

Remember lunch is a very important meal for your children so please limit the amount of sugar given in their lunch. It is hard for your children to rest peacefully at rest time and it impairs their ability to focus well in the classroom.

*Leftovers from dinner are great!

*Milk is poured if you would like your child to have it with their meal.

*We have plates, bowls, cups, spoons, forks and knives available at school.
